Dear Mrs. Rhéaume:

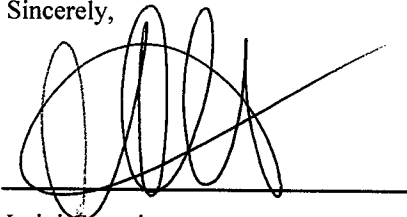

After reviewing the request, I wish to express the support of the Canadian Bureau of Investigations and Adjustments for your current television channel, 'Avis de Recherche' and All Points Bulletin TV.

Crime affects all of us and we cannot prevent all crimes. CBIA has a long proud record of working with the public and the communities in order to prevent criminal acts and to secure the public. The medias has an important part of responsibilities in preventing crimes and by offering these programs 24 hours a day, seven days a week would reach a wider audience, meaning that less persons will become victims than would otherwise be.

At CBIA, we believe in powerful tools and essentials components as such as medias in the delivery of public safety.

We can assure you our support in the approval of your application.

Sincerely,

Luigi Coretti
President
