Dear Madame Rhéaume:

**Re: Avis de Recherche TV - All Points Bulletin TV**

This letter is offered in support of the application to the CRTC by Avis de Recherche TV - All Points Bulletin TV to provide programming to Canadians. It is my belief that granting a license to Avis de Recherche TV - All Points Bulletin TV, would be in the public interest and will greatly assist law enforcement agencies throughout the country.

Thank you in advance for considering this letter of endorsement.

Sincerely,

**Keith Atkinson**  
**Chief of Police**
