Dear Madam Rhéaume,

RE: **Application Numbers: 2006-0508-2 and 2006-0509-0**

I am writing on behalf of the Calgary Police Service in support of the proposal to make Avis De Recherche TV available to Calgarians.

The Calgary Police Service welcomes any additional opportunity to share important information about criminal activity in our community with the citizens we serve, and enlist their help in solving crimes.

It is our understanding that Avis De Recherche TV would offer the CPS, at no charge, the opportunity to air information about individuals wanted by police. On that basis, we support the proposal to offer this service in Calgary.

Sincerely,

Lesley Gronow
