Dear Mr. Traversy:

Re: Notice of Consultation: CRTC 2013-19
Reference Numbers: 2012-1051-7 & 2012-0689-7

On behalf of City Council and the people of Edmonton, Alberta's Capital City, I fully endorse the application by *All Points Bulletin TV* in its efforts to introduce the All Points Initiative across the entire nation.

There is no question this important program will tie into public safety programs everywhere. The ability to broadcast photos and videos of suspects and photos of missing persons to the entire country will greatly enhance the valuable services that all Canadian Police forces already provide.

All Points Bulletin TV will be a most welcome addition to our airwaves.

Yours truly,

Stephen Mandel
Mayor
