Secretary General, John Traversy
CRTC
Ottawa, ON K1A 0N2

Dear Mr J. Traversy,

RE: CRTC 2013-19
Applications: 2012-1051-7 and 2012-0689-7

I am writing in support of the above mentioned applications by "*All Points Bulletin TV*" and "*Avis de Recherche TV*".

The opportunity to embrace the use of technology in assisting our Police Departments and Law Enforcement Agencies is one that should be highly considered. In today's modern world, the ability to share instant information with our own communities as well as others would assist in crime prevention, missing persons and developing emergency situations.

As Mayor, I support these applications. Thank you very much for your consideration.

Sincerely,

Karen Farbridge
Mayor
