Mr. Traversy,

On behalf of the City of Langley Council I write to advise you that at our February 18, 2013 regular meeting City Council considered correspondence from Vincent Geracitano, President and Founder of Avis de Recherche TV & All Points Bullentin TV seeking support for an application to obtain 'Public Interest' status.

Council unanimously resolved to express support for the application by All Points Bulletin to obtain 'Public Interest' status and we applaud the effort to expand the success of its French sister station, ADR-TV, across the country and in English to reach our entire nation. ADR-TV has demonstrated that this service is an effective way to promote safety and to educate and provide information to the viewing public on all matters of public safety and prevention.

I urge you to give favourable consideration to the application for All Points Bulletin and to renewal the license for ADR-TV.

Yours truly,
City of Langley
