Dear Madame Rhéaume,

Re: Article 7 of CRTC 2007-1, Application No. 2006-0508-2 & 2006-0509-0

On behalf of the people of the City of Oshawa, it is my pleasure to endorse the *All Points Bulletin TV* application.

In today's world of information, All Points Bulletin TV will provide an essential component in awareness and public safety. The programming offered in this application should be broadcasted across the nation for the well-being of all Canadians. The opportunities presented by All Points Bulletin TV are limitless and will only serve in the betterment of our country.

It is my recommendation that the aforementioned applications be approved.

Yours truly,

John Gray
Mayor
