Subject: Article 7 of CRTC 2007-1, Application No. 2006-0508-2 & 2006-0509-0  
- File: A-1000-004

On behalf of the City of Pickering and its Members of Council, I am pleased to offer my support of the above noted applications submitted by Avis de Recherche and All Points Bulletin TV (APB TV).

As a municipal leader, the City of Pickering is actively working with the Durham Regional Police; the separate and public school boards; the Ajax-Pickering Board of Trade; the faith communities; and other stakeholders to ensure that our community remains safe, prosperous and vibrant.

The City of Pickering embraces new and innovative technologies that help us achieve our community goals. I feel that APB TV would be a welcome addition to our telecommunications landscape, and will ultimately assist our municipalities, respective law enforcement agencies and stakeholders share important communications in a timely and accessible manner.

I hope this information is useful towards your considerations. Please do not hesitate to contact me should you require further information.

Yours truly

David Ryan  
Mayor, City of Pickering
