Dear Mr. Traversy:

Re: Notice of Consultation: CRTC 2013-19
Reference Numbers: 2012-1051-7 & 2012-0689-7

I am writing in support of All Points Bulletin TV's application for "Public Interest" status for their *All Points Bulletin TV* to be broadcast across Canada.

As criminals embrace technology to perpetrate their crimes, law enforcement needs to use technology to apprehend these criminals. The public must be quickly made aware of suspects and their whereabouts as public awareness is still one of the best tools used to fight crime.

All Points Bulletin TV would also assist in finding missing persons. Recently in Saskatchewan a child was quickly returned to family because of extensive public awareness of the kidnapping. *All Points Bulletin TV* would give law enforcement one more medium to quickly provide important information to the public.

I encourage the CRTC to approve *All Points Bulletin TV*'s application – it is in the Canadian public's best interest to do so.

Sincerely,

Michael Fougere
Mayor
