Dear Mr. Traversy:

Re: Notice of Consultation: CRTC 2013-19
Reference Numbers: 2012-1051-7 & 2012-0689-7

It is my understanding that Avis de Recherche TV / All Points Bulletin has applied to produce and broadcast Safety and Prevention programming, serving the public interest by working with public security, law enforcement, and prevention agencies across Canada.

As Mayor of Vancouver, I would like to offer my support for this application. This new programming would provide protective services across the country with a new medium on which to help prevent and confront crime, and to promote public safety.

I wish to express my endorsement of the proposal by Avis de Recherche TV/All Points Bulletin, as I believe it is in the public interest that our protective services be afforded this unique new opportunity to use technology to better inform and safeguard all Canadians.

Yours truly,

Gregor Robertson
MAYOR
