Dear Madame Rheame;

February 21, 2007

Reference: Letter of Support
Article 7 of CRTC 2007-1, Application numbers 2006-0508-2
and 2006-0509-0

I am writing in support of the above applications in which the proprietors of Avis de Recherche TV and All Points Bulletin TV seek public interest status under provisions of the Broadcasting ACT.

We have seen how Modern Law enforcement is conducted against a backdrop of a borderless, High-tech criminal environment. To be effective, law enforcement must use the up-to-date technology and tactics in dealing with any aspect of public safety, be it the detention of crime, lactions and protection of victims, or the apprehension of suspects.

Grace Ministries International of Montreal has been a community church that is concerned with these issues. I have first hand gone on the aforementioned website and seen the effectiveness and the usefulness of this program. As a ministry and a Minister of the Gospel I have seen the effect of child abuse and have sometimes felt powerless in dealing with these issues, but seeing All Points Bulletin" would be an amazing step towards the protection of our little ones in Canada.

With this type of success in Mind, Grace Ministries International of Montreal, views Avis Recherche, All Points Bulletin TV as being powerful tools and essential components in the delivery of public safety services.
