Reference Number: 2012-1051-7 – "Avis de Recherche"

Dear Mr. Traversy :

I am pleased to write this letter of support, as Minister of Public Safety and Solicitor General for the Province of New Brunswick, for the above mentioned applications by Avis de Recherche TV/All Points Bulletin to produce and broadcast "safety and prevention" messages with all public security organizations across Canada to serve the "Public Interest".

I firmly believe that services such as those provided by Avis de Recherche are meant to benefit all Canadians, by providing a service dedicated to the safety and well-being of children and the safety of our communities in New Brunswick.

Television services dedicated to public safety would significantly contribute to helping inform and educate the public about safety and security matters.

I urge you to give serious consideration to these applications.

Yours truly,

Hon. Robert B. Trevors
Minister of Public Safety and Solicitor General
