Dear Madame Rheaume:

***Re: Letter of Support – Article 7 of CRTC 2007-1, Application Numbers 2006-0508-2
and 2006-0509-0***

On behalf of all members of the Orangeville Police Service (Orangeville, Ontario), I am writing in support of the above applications related to *Avis de Recherche TV* and *All Points Bulletin TV*. Having reviewed the applications, our police service is of the opinion that *Avis de Recherche TV* and *All Points Bulletin TV* will prove to be valuable tools in the delivery of public safety services in Canada. The public nature of this type of TV channel would be helpful in providing all law enforcement agencies with the capability of instantly sharing information with the Canadian public relating to crime prevention, suspects being sought, missing persons and other issues of public safety.

We urge the Commission to approve these applications. Such approval will be a great benefit to public safety in Canada.

Yours truly,

Rodney B. Freeman
Chief of Police, M.O.M.
