Dear Madame Rhéaume:

**Re: Article 7 of CRTC 2007-1  
Application Numbers 2006-0508-2 & 2006-0509-0**

The Peel Regional Police Service supports the principles of *Avis de Recherche TV* and *All Points Bulletin TV* in their efforts to gain *Public Interest* status under Article 9(1) of the *Broadcasting Act*. The applications propose a nation-wide public security network to bring accurate, timely and informative programming to Canadians on education, enforcement and investigative activities.

Effective communication between the general public and police services is crucial to develop and maintain an open dialogue with our communities to preserve public safety and confidence.

Television, and in particular, the proposed *All Points Bulletin TV*, can provide timely and relevant information on topics such as identity theft, internet crimes, community safety alerts, and Crime Stoppers appeals. Informing the public on what they can do to help protect themselves and their community is invaluable to the proactive, Community Based Policing approach the Peel Regional Police Service endorses.

The successful implementation of this nation-wide service, as proposed in the applications, will serve the public interest and promote the safety of Canadians. We encourage the CRTC to approve these applications.

Sincerely,

Paul Tetzlaff  
Deputy Chief of Police
