Mr. Traversy:

Subject: Letter of Support - CRTC 2013-19
2012-0689-7 "All Points Bulletin"
2012-1051-7 "Avis de Recherche"

I am writing in support of the above noted application, submitted by All Points Bulletin, to obtain Public Interest status under provisions of the Canadian Broadcasting Act.

The Saint John Police Force views the service proposed by All Points Bulletin as an important communication tool with a tremendous amount of potential. Limited resources and financial restraints prevent many police organizations from utilizing the TV as a means to inform and educate the public on crime prevention issues. This service will fill that void and heightened public awareness of crime prevention initiatives and program.

I fully endorse All Points Bulletin's application and believe it is in the public interest to provide this type of service Canada wide.

Yours truly,

William G. Reid
Chief of Police
