On behalf of the Saskatoon Police Service I wish to formally document our support for All Points Bulletin TV. The video media is a very strong tool to impart information to the general public. This is looked upon as a valuable public safety measure. This channel will only grow in value and provide an excellent method to discuss and distribute information regarding crime, crime prevention, and important information to the community.

We strongly endorse this application.

Yours truly,

Clive Weighill
Chief of Police
