Dear Mr. Traversy:

RE: 1. Notice of Consultation: CRTC 2013-19
2. Reference Number: 2012-0689-7 <<All Points Bulletin>>
3. Reference Number: 2012-1051-7 <<Avis de Recherche>>

As Chief of Police of the Prince Albert Police Service, I am writing this letter to voice my support for the proposal by Mr. Geracitano to provide the All Points Bulletin TV channel in concert with Avis de Recherche TV as public safety programming in support of police and government initiatives.

Prince Albert Police Service prides itself on transparent, timely and open communication with the citizens in our community. Our Service continues to expand the way in which we convey necessary public safety and crime prevention information to our citizens. This tool will help advise citizens about impending emergency situations and relay information in ways to manage during and after the emergency thus enhancing community safety.

Our Service would equally like to benefit from the availability of a similar English language service as currently demonstrated in Quebec. As such I respectfully request that the CRTC approve the application by "All Points Bulletin (APDB), and English Language television network and grant it the same status of a Public Interest service as per Article 9(1(h) of the Canadian Broadcasting Act.

This proposal supports our current crime reduction initiatives and public safety strategies and will help us enhance public safety within the Community we serve.

Yours truly,

Troy Cooper
